

The Faculty Golden Jubilee Celebration
for honoring its Graduates
from 1969 until 1973

The Faculty of Engineering held – on November 2, 2024 – a Golden Jubilee celebration for honoring its graduates of the five years of 1969, 1970, 1971, 1972, 1973, in the University’s Grand Celebration Hall.

The celebration was witnessed by Dr. Mostafa Madbouly, the Prime Minister, with a large number of former senior officials. The honorees are led by Engineer Ibrahim Mahlab and Dr. Ahmed Nazif.

Prof. Dr. Hossam Abdel Fattah, the Faculty Dean, gave a speech in which he expressed the Faculty’s appreciation for the great achievements these graduates have made for the nation in order to advance it in various sectors. He also appreciated the keenness of the Prime Minister to attend the celebration, which enhances the value of this event being organized continuously for 40 years.
