

## Department Pioneers

The Structural Engineering Department will always remember with great appreciation, deep admiration and sincere gratitude those pioneer faculty members who left us after enriching our academic and professional life with their unlimited dedication and continuous scientific contribution, giving the example to be followed and the ethics to be respected.

سيذكرني بعد الفراق أحبتني      ويبقى من المرء الأحاديثُ والذكرُ  
وُرود الربى بعد الربيع بعيدة      ويدنيك منها في قواريره العطرُ
